RG America Achieves Awaited Delisting from Berlin Stock Exchange At the Company's Request

Company Requests Delisting After Being Shorted on Foreign Exchange

Dallas, TX (MARKET WIRE) – 3/20/06 -- (OTCBB: RGMI) - RG America, Inc. ("RGA"), a Dallas based Insurance Restoration Company specializing in recovery, remediation, roofing and re-construction of insurance losses, announced today that it has succeeded in having its stock removed from trading on the Berlin Bremen Stock Exchange. RGA never authorized the trading of its securities on the Berlin Exchange, where its shares were being sold-short by unknown sources. The Berlin Exchange recently suspended trading of RGMI, at the request of the Company.

"We first noticed the short-selling of our stock in the height of the 2005 Hurricane Season when we began investigating a very sudden and sharp decline in our stock price. After contacting Peter Hirshfield of the New York based firm, *Hirshfield Law*, it became clear that RGA had become another "stockgate" target. Mr. Hirshfield successfully put a halt to any short-selling of our stock by accomplishing the delisting on the Berlin Exchange," commented Traci Brown, General Counsel for RGA. "We are relieved to have this settled so we can continue moving forward. This year has been extremely productive for RGA with large growth in contracts and revenues, and we look forward to keeping up this momentum."

RG America continues to trade under the symbol "RGMI" in the United States on the NASDAQ (OTCBB). Investors interested in obtaining shares of RG America should purchase their shares only from authorized broker-dealers who will execute trades on the OTCBB and not on any foreign exchanges.
